I just can't seem to find no peace of mind

Like a river in the night

I know it's there, but I feel so blind

I hop that one day I will see the light

Or even which way you should go

I look at you and I do believe

That I will one day feel the flow

Em Asus4 G D

==Chorus==

D Bm G Em

You know I don't expect a miracle

Or a vision to appear

If I don't change it, then nothing will

I hope that I can one day loose the fear

Em Asus4 G D

from within me like a summer breeze

== Chorus ==

I've seen the rainbow shining in your eyes

With every color of the sky

I hear the river gently flowing by

I hope that I will one day hold you there
